## ABOUT THE PROGRAM

# Building Industry-Ready Hospitality Professionals

The WorkIntegratedLearning Program (WILP) is a **12-month** career pathway that blends focused classroom/online academic training with **paid, hands-on work experience** at leading hospitality brands. Designed to close the gap between education and employment, WILP equips young talent with the practical skills, professional certification and **industry exposure** required to build a lasting career in hospitality — from day one.

## HOSPITALITY INDUSTRY OVERVIEW

India's hospitality and food-service sector is one of the fastest-growing career destinations for young professionals, driven by rising dining-out culture, expanding restaurant chains and a growing demand for guest-service excellence. Yet the industry consistently faces a shortage of trained, job-ready talent — the exact gap WILP is built to close by pairing academic learning with structured, paid, on-the-job exposure.
